On 02 May 22 (Mon) morning, 30 participants belonging to "Infinite Youth Tampines Central Park (TCP)" turned up to celebrate the 9th anniversary of the formation of Infinite Youth TCP. The special Get-Together event was at Jurassic Mile at Changi Airport (T4) Connector, and involved a leisurely walk along the static dinosaur walk and games featuring identifying various dinosaurs and their behaviour. The participants were grouped randomly into four teams, namely Team Happy (7), Team IMF (8), Team Rainbow (6) and Team Mulan (8). The event was the brainchild of the coaches of Infinite Youth TCP - Tan Eng Seng, Lilian Ng, Paulus Lim and Ms Tan Siew Khek.

Infinite Youth Association EZ1 - East Zone 1 Director Jazz Lee was around to grace the event and gave encouragement to all.

All 31 participants met at 7am at the neighbourhood coffee shop and made their way to Changi Airport Terminal 4 by MRT services & public Bus. The event was rounded off with a hearty lunch at Manna restaurant at Changi City Point at around 2 pm.

Members expressed much appreciation and thanks to the organisers, Tan Eng Seng and Lilian Ng for their hard work preparing the game programme for this fun outing. We also Like to thank Eng Seng, Lilian, Jazz and Siew Khek for their sponsorship for morning breakfast, partial lunch and Prizes too.

The participants had ample time getting to meet some new friends and to catch up with the rest of the group. They enjoyed themselves due to the leisurely pace and the glorious balmy plus the beautiful weather on the very day. The event was indeed very memorable and brought many smiles and laughters to all participants.

We really enjoyed it very much.
