Bishan Park celebrating its 11th year Anniversary

文 | 碧山公园练功场－吴巧玉功友

Congratulations and BRAVO for organizing a successful party celebrating Bishan Park 11th year Anniversary on 18 February 2023.

Yipee! Hip hip hooray! Well done!

The success of this event is the culmination of the synced team effort of all members! Everybody comes together to exercise, bring or cook a dish, bring tables and chairs, lucky draw prizes, active participation in the organized games, a demonstration of team bonding. There was Plenty of food and the food was mamamia...I enjoyed it very much. It's the first time I ate so much food for breakfast! (for someone who doesn't eat breakfast). Everyone was happy eating, talking about the food and the party. All went home smiling and with lucky draw prizes.

Thanks to the organizing Committee: Selina, Mei Ying and Li Choo who worked tirelessly to put together this party to Great Success!

Looking forward to another party like this.

Cheers!
